DEDICATED COMMUNICATION CHANNEL FOR CMP ISSUES

The United Nations Staff Union would like to inform all staff that a dedicated communication channel with the Staff Union nominated representatives at the Working Group of the JNC on issues of Capital Master Plan (CMP) has been established. Staff members can communicate, directly and with confidentiality, all queries, comments and grievances related to the Capital Master Plan. In this regard, interested staff members are invited to click on the appropriate link at the Union's website

<http://www.u-see.org>

The United Nations Staff Union looks forward to receiving input from staff members on this very important matter.
