Resolution on UNSU participation at the CCISUA 2017 General Assembly

The Staff Council,

Convinced of the importance of solid and productive coordination with our sister unions;

Determined to present a consistent message at forthcoming union coordination meetings;

Underlining the importance of a fluid two-way communication between Council and Leadership, so as to ensure that the views and concerns of rank-and-file membership are duly transmitted and upheld at the federation level;

Recalling article 4.8.7 of the UNSU Regulations;

The Staff Council,

Renews UNSU's firm commitment to CCISUA;

Mandates the UNSU delegation to abide by said commitment, including by means of a substantive financial pledge of up to USD 40,000;

Requests the UNSU delegation to submit a report on issues examined in the course of the CCISUA GA, including positions presented on behalf of UNSU;

Urges the Executive Board to plan for adequate advance coordination of substantive positions for future meetings with all bodies, including CCISUA, in order to equip UNSU delegations with a solid political mandate from Council;

Resolves to draft a comprehensive set of policy positions to guide future work on Secretariat- and Common System-level matters and *decides* to establish a working group to that effect.
