Resolution on 2018 Long Service Award ceremony

The Staff Council,

Recognizing the importance of celebrating the exemplary dedication and commitment to the work of the organization during their entire career;

Further recognizing the merit of long serving staff having performed above and beyond the call of duty in the service of the goals of the United Nations, helping people all over the world with passion and compassion in furthering the goals of peace, dignity, prosperity and hope;

Aware that, the long service award which used to be centrally organized by the UN Staff Union in cooperation with the Department of Management, has not been organized for some time now except when individual department decides to hold service award on their own initiatives;

Cognizant of the need to re-establish a Secretariat-wide Long Service Award ceremony on an annual basis;

Decides that UNSU and the Department of Management will co-sponsor the 2018 Long Service Award ceremony for staff who have reached the milestone of 20 years or longer of dedicated service with the organization on 17 May 2018. The Department of Management will sustain the cost of the logistical arrangements (facilities and related services) as well as prepare the certificates that will be signed by the Secretary-General for all staff;

Further decides to authorize, with funds from the UN Staff Union Reserves, upon presentation of proper documentation, and based on the enclosed estimated budget, up to a total amount of US \$ 4,000 related to the expenses for the 2018 Long Service Awards;

Further Acknowledging, the service of all staff members who have reached more than thirty years of service as of 20 April 2018.
