

**Resolution on payment for
LAN, data and power cable connections for UNSU monitors**

The 46th Staff Council,

Noting its Resolution RES/STC/46/09, adopted on 11 July 2019, whereby the Staff Council authorized the purchase of six monitors to display Staff Union contents at various locations across the Secretariat campus;

Noting also all material and labour costs for the physical installation of the monitors has been absorbed by the Department of Operational Support;

Noting further that additional LAN, data and power cable installations are required for operating and connecting the monitors;

Noting further that OICT has agreed to cover half the cost of wiring; which amounts to 2,800 (4 screens x USD 700).

The Staff Council hereby,

Approves an expenditure in the sum of USD 1,400 for LAN, data and power cable installations required for operating and connecting four monitors;

Approves also a monthly expenditure of USD 120 for a cable box for all monitors.

Authorizes the Treasurer to settle the balance with OICT against receipt of the relevant documentation.
