

Resolution on UNSU-NY Federation Affiliation I

The 46th Staff Council,

Recalling that the United Nations Staff Union - New York (UNSU-NY) is charged with defending the interests of its constituents before all relevant decision-making bodies of the UN Common System,

Noting that representation at that Common System level is normally exercised through federations of staff unions and associations and not by individual staff unions and associations;

The Staff Council hereby,

Decides to withdraw from the Coordinating Committee of International Staff Unions and Associations of the United Nations (CCISUA), since the current membership of UNSU with CCISUA no longer satisfies the needs of UNSU-NY;

Instructs the President to follow all required procedures to implement this resolution.
